

EVENT TECHNICIAN

Permanent employment in full and part time (only in Hamburg)

To join our team in Hamburg, we are looking for a motivated event technician or career changer with technical experience in event technology. We provide our customers with comprehensive support in the planning, execution and technical implementation of events, conferences and trade fairs. In combination with pure classic event technology, we also offer a wide range of supplements. Our customers are primarily from sectors such as banking, insurance, pharmaceuticals and trade. You will be offered a wide range of tasks. This may include customer care and consulting, calculation and technical planning, implementation (technical management, set-up, implementation, dismantling but also permanent installation) with a focus on and experience (also in parts) of: Projection and media technology (seamless, tandem, panorama), digital signage and conference technology, video walls, IT network technology and video conferencing systems, control technology, ENG, image technology (AnalogWay, Barco, Panasonic, etc.), lighting technology (MA-Lighting, SGM, Astera, Desisty ...) and sound technology (Shure, Yamaha, L-Acoustics, Allen and Heath) and much more.

We provide you with

- Your own stationary office workspace
- Participation in the design of work processes and the introduction of your own ideas Flexible working hours
- Company headquarters close to the city centre
- Good accessibility by public transport and car (also during off-peak hours)
- Company-owned parking space on the company premises
- Company mobile phone and laptop
- A pleasant, respectful and collegial working environment in our team
- Company holidays over Christmas until the beginning of January
- Monthly benefits in the form of a shopping card
- Supply of uniforms
- Rail ticket for regional transport throughout Germany

What you should bring with you

- Sense of responsibility and reliability
- Ability to work under pressure and be motivated
- Basic qualification in event technology or corresponding skills
- Knowledge of German
- Friendly and service-oriented communication
- Flexibility and team spirit
- Driving licence

What you should know

- Your main job location and workplace will be in Hamburg
- Your work will require you to travel throughout Germany and, in some cases, Europe
- There may be some weekend work
